

Clinical translation seminar series

All welcome

Consumers enhancing WEHI Research

Dr Judith Slocombe

Chair of the WEHI Consumer Advisory Panel, CEO of The Alannah and Madeline Foundation

Mr John Stubbs

Consumer and CEO of CanSpeak, a national volunteer cancer consumer advocacy group

The Walter and Eliza Hall Institute is at the forefront of consumer involvement and support for medical research. Consumers support researchers with their grant proposals, influence research design and translation and can provide a powerful voice for scientific issues within the community.

This seminar will introduce you to WEHI's Consumer Advisory Panel, the Buddy System and how Consumers can help you and your research team.

Dr Tracy Putoczki

Laboratory Head at WEHI who has involvement with consumers through the Consumer Advisory Panel Buddy System

Mr Jack Nunn

Public and consumer involvement consultant for Macmillan Cancer Support, UK, Health Issues Centre, Australia and researcher at La Trobe University

Wednesday 5 August 2015, 1 – 2pm

Davis Auditorium
